SKILLS

C (Efficient)
C++ (STL) (efficient)
Python
HTML+CSS (Project-purpose)
Java-Script

ABOUT ME

I am a sophomore at Malviya National Institute of Technology Jaipur majoring in Computer Science.

I am a competitive programmer handling most of the competitive website with ashutosh0699 as the username. In side I also do Web-Development in the free time. I am good in both Front End and Back End Web developing.

Currently I am exploring Node.js, Vue.js, Express.js and works using API's.

PROJECT-DONE

- Making of Portfolio
- Design a fully responsive website using HTML, CSS, Java-Script.
- Used Bootstrap-4 for making it interactive.
